RMJM commences Site Supervision for CELLO Residences in Jumeirah Village Circle.

RMJM, a leading global architecture and design firm, is pleased to announce its appointment by Taraf, the real estate division of Yas Holding, as the Site Supervisor for the enabling and site supervision works of the CELLO Residences. This exciting development is situated in the vibrant Jumeirah Village Circle (JVC), a prime location that offers unparalleled access to recreational, educational, and retail amenities.

Strategically positioned near Halfa Park & Community Park, Circle Mall, JSS International School, and the esteemed Five Jumeirah Village, CELLO Residences embodies convenience and accessibility. The development features 387 thoughtfully designed apartments housed within two striking towers, each adorned with warm, earthy hues and expansive windows that invite an abundance of natural light and connect residents to the serene landscape beyond.

Our approach to site supervision involves a comprehensive analysis of all project stages, ensuring the highest standards of safety for everyone involved. RMJM is dedicated to maintaining a safe work environment, closely monitoring construction practices, and implementing strict safety protocols. Furthermore, we are committed to delivering the project within the agreed timeframe, aiming to meet deadlines while upholding our signature quality and precision.

Mohamed Moussa, Head of Construction Supervision at RMJM, stated, "We are excited to take on the role of Site Supervisor for CELLO Residences. Our commitment to safety and quality will be at the forefront as we ensure that this project not only meets but exceeds the expectations of the community and future residents. We look forward to delivering an exceptional living experience in one of Dubai's most sought-after locations."

With CELLO Residences, RMJM looks forward to contributing to the architectural excellence of the project, combining cutting-edge design with practical functionality to create an iconic addition to Dubai's residential landscape.
